

AIF Scholarship Reading Assignment for High School Juniors & Seniors

(20 points from the spiritual category)

As a high school student, you can read the book *Victory in the Unseen Warfare* by Father Jack N. Sparks and answer all of the Study Questions at the end of each chapter. This book can be purchased through Amazon or Ancient Faith Publications. All Study Questions must be titled by chapter and number and answered in complete sentences. If all questions for all chapters are not answered in full, the project will be considered incomplete. Hence it is highly important as the student that you deal with every aspect of each and every question for each and every chapter. Below you will see a schema of how the paper is to be formatted based on Chapter 1.
